Re: NOHA Vaccination Policy

Since the Provincial Government's announcement that QR code requirements will be eliminated as of March 1, 2022, the NOHA has received inquiries from Associations and from Participants as to whether the NOHA Vaccination Policy would be eliminated as well.

The NOHA Board of Directors have discussed this and have agreed that the NOHA Vaccination Policy will remain in place for the remainder of the 2021/2022 season. It will be discussed again internally, and with the OHF, prior to the start of tryouts for 2022/20223.

Yours truly,

Sue Shepherdson
NOHA President
